

COURSES & TEACHING

University of South Carolina

- (1) GEOL 101, Introduction to Geology
- (2) GEOL 103, Introduction to Environmental Geology
- (3) GEOL 335, Processes of Global Environmental Change
- (4) GEOL 570, Environmental Hydrogeology
- (5) GEOL 571, Soil Hydrology/Land Surface Hydrology
- (6) GEOL 770, Advanced Hydrogeology and Surface Processes
- (7) GEOL 799, Directed Individual Studies
- (8) GEOL 861, Remote Sensing of Hydrological Variables and Processes

University of Maryland, College Park

- (1) GEOG 446, Applied Climatology, Spring 1997, Spring 1998
- (2) GEOG 628, Hydrology and Water Resources, Fall 1998

Stanford University

- (1) GEOPHYS 185/385 Observing Freshwater, Spring Quarter, 2007
